Note importanti
Important notes

Tutti gli ugelli sono forniti con tolleranza di +/- 4% sui dati riportati in tabella.
I dati riportati nella presente tabella indicano la prestazione dell'ugello con acqua a 21°C.
Potrebbero esserci variazioni dovute a temperatura, viscosità e additivi.

Nozzles supplied may have +- 4% tolerance on data indicated in the chart. Capacity figures shown are representative of performance with water at 70°F.
There may be variations due to temperature, viscosity and additives.
